Clover Leaf Trail

To participate in the Clover Leaf Trail means you become a stop-off point for Children who have purchased a Clover Leaf Bag and map. It is a way of bringing people to your site also.

You will need to supply a small gift, sample, stickers, fruit etc for each of the 125 bags we plan to sell.

The Trail is used to encourage people to move around the Show and to visit your stalls.

We need time to organise the map, so please return this form with your application to be able to participate. Unfortunately we cannot accept late entries for this activity.
